

St. Patrick Center
Building Permanent, Positive Change

Wines for Humanity partners with **St. Patrick Center** to help individuals in our community from becoming homeless.

For every bottle of wine that is purchased through a *Wines for Humanity* tasting, a portion is donated to St. Patrick Center.

St. Patrick Center provides opportunities for self-sufficiency and dignity to persons who are homeless or at risk of becoming homeless. Individuals achieve permanent, positive changes in their lives through affordable housing, sound mental health, employment and financial stability.

St. Patrick Center is the largest provider of homeless services in Missouri with 22 programs, serving more than 9,000 persons annually. St. Patrick Center helps individuals and families move from homelessness to independence in a measurable, cost-effective manner.

In solidarity with the traditional social teaching of the Catholic Church, St. Patrick Center embraces the attitude of Jesus as servant to the poor. St. Patrick Center espouses a spirituality that places clients at the center of all decisions.

Thank you *Wines for Humanity* for supporting the Metro East and St. Louis Communities and the programs operated by St. Patrick Center!
